

Design Assistance

Architectural Resources

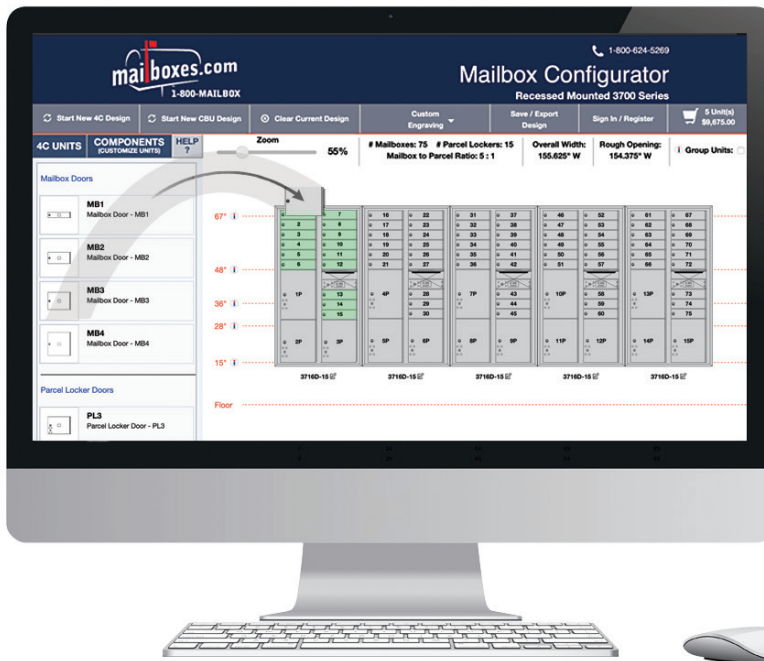

Salsbury Industries design engineers are available to architects, specification writers and individuals involved in the design of mail distribution facilities. Salsbury Industries website features an Architectural Resources section that provides product information, technical drawings, installation instructions, detailed specifications, AutoCAD Drawings, 3D Revit/BIM models and Augmented Reality (AR) models for download. For more information visit: www.mailboxes.com/Architectural-Resources

Online Resources

- Product Information
- 3D Revit / BIM Models
- Detailed Specifications
- Technical Drawings
- Augmented Reality (AR) Models
- Installation Instructions
- AutoCAD Drawings

CBU and 4C Mailbox Configurators

Salsbury Industries CBU and 4C horizontal mailbox configurators are available online and will assist in determining the ideal combination of mailboxes and parcel lockers based on your specific requirements. This robust tool also allows you to customize 4C mailbox units and add numbering sequences to drawings. In addition to clear and easy to read elevation line drawings with dimensions, our online mailbox configurators will also provide you with PDF, Word, Excel and AutoCAD drawing files for your project. Access our configurators at:

www.mailboxes.com/Mailbox-Configurator
